Global Notes do not have Receipts, Coupons or Talons attached on issue. Any reference herein to 'Noteholders' shall mean the holders of the Notes, and shall, in relation to any Notes represented by a Global Note, be construed as provided below. Any reference herein to 'Receiptholders' shall mean the holders of the Receipts and any reference herein to 'Couponholders' shall mean the holders of the Coupons, and shall, unless the context otherwise requires, include the holders of the Talons. Any holders mentioned above include those having a credit balance in the collective depots held by Euroclear Netherlands or one of its participants under the Dutch Securities Giro Transfer Act ("*Wet giraal effectenverkeer*").

Interest bearing Definitive Notes in K-form will have Coupons and, if indicated in the applicable Final Terms, Talons attached but will not be issued with Receipts attached. As used herein, 'Tranche' means Notes which are identical in all respects (including as to listing) and 'Series' means

a Tranche of Notes together with any further Tranche or Tranches of Notes which are (i) expressed to be consolidated and form a single series and (ii) identical in all respects (including as to listing) from the date on which such consolidation is expressed to take effect except for their respective Issue Dates, Interest Commencement Dates and/or Issue Prices.

Copies of the Agency Agreement and the Final Terms applicable to this Note are available at the specified offices of each of the Agent and the other Paying Agents save that a Final Terms relating to an unlisted Note will only be available for inspection by a Noteholder upon such Noteholder producing evidence as to identity satisfactory to the relevant Paying Agent. The Noteholders, the Receiptholders and the Couponholders are deemed to have notice of, and are entitled to the benefit of, all the provisions of the Agency Agreement and the applicable Final Terms which are binding on them. The statements in these Terms and Conditions include summaries of, and are subject to, the detailed provisions of the Agency Agreement.

Words and expressions defined in the Agency Agreement or used in the applicable Final Terms shall have the same meanings where used in these Terms and Conditions unless the context otherwise requires or unless otherwise stated, provided that in the event of inconsistency between the Agency Agreement and the applicable Final Terms, the applicable Final Terms will prevail.

The Notes are in bearer form and, in the case of Definitive Notes, serially numbered, in the Specified Currency, the Specified Denomination(s) and the Specified Form(s).

This Note may be a Senior Note or a Subordinated Note, as indicated in the applicable Final Terms.

This Note may be a Fixed Rate Note, a Floating Rate Note, a Zero Coupon Note, an Index Linked Interest Note, a Dual Currency Interest Note or a combination of any of the foregoing, depending upon the Interest Basis shown in the applicable Final Terms.

This Note may be an Instalment Note, a Dual Currency Redemption Note, a Partly Paid Note or a combination of any of the foregoing, depending on the Redemption/Payment Basis shown in the applicable Final Terms.

Notes of one denomination will not be exchangeable after their initial delivery for Notes of any other denominations, subject to Condition 4.

Subject as set out below, title to the Notes, Receipts and Coupons will pass by delivery. For Notes held by Euroclear Netherlands or otherwise in the clearing system under the Dutch Giro Securities Transfer Act (“*Wet giraal effectenverkeer*”) deliveries will be made in accordance with the Dutch Securities Giro Transfer Act and the regulations of Euroclear Netherlands. Except as ordered by a court of competent jurisdiction or as required by law or applicable regulations, the Issuer, the Agent and any Paying Agent may deem and treat the bearer of any Note, Receipt or Coupon as the absolute owner thereof (whether or not overdue and notwithstanding any notice of ownership or writing thereon or notice of any previous loss or theft thereof) for all purposes but, in the case of any Global Note, without prejudice to the provisions set out in the next succeeding paragraph.

For so long as any of the Notes is represented by a Global Note held on behalf of Euroclear Bank S.A./N.V. as operator of the Euroclear System (“**Euroclear**”) and/or Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”), each person (other than Euroclear or Clearstream, Luxembourg) who is for the time being shown in the records of Euroclear or Clearstream, Luxembourg as the holder of a particular nominal amount of such Notes (in which regard any certificate or other document issued by Euroclear or Clearstream, Luxembourg as to the nominal amount of Notes standing to the account of any person shall be conclusive and binding for all purposes save in the case of manifest error) shall be treated by the Issuer and any Paying Agent as the holder of such nominal amount of such Notes for all purposes other than with respect to the payment of principal or interest on the Notes, for which

purpose the bearer of the relevant Global Note shall be treated by the Issuer and any Paying Agent as the holder of such Notes in accordance with and subject to the terms of the relevant Global Note (and the expressions 'Noteholder' and 'holder of Notes' and related expressions shall be construed accordingly). Notes which are represented by a Global Note will be transferable only in accordance with the rules and procedures for the time being of Euroclear or of Clearstream, Luxembourg or any other relevant clearing system of Euroclear Netherlands, as the case may be.

References to Euroclear and/or Clearstream, Luxembourg shall, whenever the context so permits, be deemed to include a reference to any additional or alternative clearing system specified in the applicable Final Terms but shall not include Euroclear Netherlands.

In case of Notes represented by a permanent Global Note deposited with Euroclear Netherlands, a Noteholder shall have no right to request delivery ("*uitlevering*") thereof under the Dutch Securities Giro Transfer Act ("*Wet giraal effectenverkeer*") other than as set out in the Global Note.

## **2. Status of the Senior Notes and Negative Pledge**

The Senior Notes and the relative Receipts and Coupons constitute unsecured and unsubordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and with all other present and future unsecured and unsubordinated obligations of the Issuer save for those preferred by mandatory provisions of law.

So long as the Senior Notes or any relative Receipts or Coupons remain outstanding, the Issuer will not secure by lien, pledge or other charge upon the whole or part of its assets or revenues any present or future Relevant Indebtedness (as defined below) without at the same time securing the Senior Notes, Receipts or Coupons, as the case may be, equally and rateably with such Relevant Indebtedness or providing such other security as the Noteholders may approve by an Extraordinary Resolution (as defined in the Agency Agreement).

'Relevant Indebtedness' means

- (a) any lien, debt, guarantee or other obligation of the Issuer or any of its subsidiaries (each an '**Obligation**' and together the '**Obligations**') which is represented by notes, bonds, debentures, debenture stock, loan stock or other securities offered, issued or distributed, whether by way of public offer, private placement, acquisition consideration or otherwise, whether issued for cash or in whole or in part for a consideration other than cash and whether listed (or capable of being listed) on any stock exchange or over-the-counter or other similar securities market or not (each such note, bond, debenture, debenture stock, loan stock or other security, a '**Security**' and together the '**Securities**'), but
- (b) excluding Obligations represented by Securities, which are (i) issued on the basis of and in accordance with the legal and regulatory requirements applicable to such Securities and which (ii) by virtue of law give the holders of such Securities a mandatory right of preference on the revenues of a mortgage portfolio of the Issuer or such subsidiary of the Issuer which Obligations shall not exceed 15 per cent.

## **3. Status and Characteristics relating to Subordinated Notes**

Subject to the following paragraph, the Subordinated Notes and the relative Receipts and Coupons constitute unsecured and subordinated obligations of the Issuer and rank *pari passu* without any preference among themselves and with all other present and future unsecured and subordinated obligations of the Issuer, save for those preferred by mandatory provisions of law or those subordinated obligations expressed by their terms to be subordinated to the Subordinated Notes.

The claims of the holders of the Subordinated Notes of this Series and the relative Receipts and Coupons (the '**Subordinated Holders**') against the Issuer are:

- (i) in the event of the liquidation ("*ontbinding*") or bankruptcy ("*faillissement*") of the Issuer; or
- (ii) in the event that a competent court has declared that the Issuer is subjected to emergency regulations

(“*noodregeling*”) as referred to in Article 3:160 of the Act on the Financial Supervision (“*Wet op het financieel toezicht*”) and for so long as such situation is in force (such situation being hereinafter referred to as a ‘**Moratorium**’),

subordinated to (a) the claims of depositors, (b) unsubordinated claims with respect to the repayment of borrowed money and (c) other unsubordinated claims.

By virtue of such subordination, payments to a Subordinated Holder will, in the event of liquidation or bankruptcy of the Issuer or in the event of a Moratorium with respect to the Issuer, only be made after, and any set-off by a Subordinated Holder shall be excluded until, all obligations of the Issuer resulting from deposits, unsubordinated claims with respect to the repayment of borrowed money and other unsubordinated claims have been satisfied.

For the purposes of the solvency guidelines (the ‘**Solvency Guidelines**’) of De Nederlandsche Bank N.V. (the ‘**Dutch Central Bank**’) to which the Issuer is subject, the Subordinated Notes of this Series will qualify as either tier 2 capital (‘**Tier 2 Notes**’) or tier 3 capital (‘**Tier 3 Notes**’), as referred to in the Solvency Guidelines, as specified in the applicable Final Terms.

#### **4. Redenomination**

##### *(a) Redenomination*

Where redenomination is specified in the applicable Final Terms as being applicable, the Issuer may, without the consent of the Noteholders, the Receiptholders and the Couponholders, on giving prior notice to the Agent, Euroclear and/or Clearstream, Luxembourg and, if applicable, Euroclear Netherlands and at least 30 days’ prior notice to the Noteholders in accordance with Condition 14, elect that, with effect from the Redenomination Date specified in the notice, the Notes shall be redenominated in Euro.

Subject to any applicable regulations, the election will have effect as follows:

- (i) the Notes and the Receipts shall be deemed to be redenominated into Euro in the denomination of Euro 0.01 with a nominal amount for each Note and Receipt equal to the nominal amount of that Note or Receipt in the Specified Currency, converted into Euro at the Established Rate, provided that, if the Issuer determines, with the agreement of the Agent, that the then market practice in respect of the redenomination in Euro of internationally offered securities is different from the provisions specified above, such provisions shall be deemed to be amended so as to comply with such market practice and the Issuer shall promptly notify the Noteholders, the stock exchange (if any) on which the Notes may be listed and the Paying Agents of such deemed amendments;
- (ii) save to the extent that an Exchange Notice has been given in accordance with paragraph (iv) below, the amount of interest due in respect of the Notes will be calculated by reference to the aggregate nominal amount of Notes presented (or, as the case may be, in respect of which Coupons are presented) for payment by the relevant holder and the amount of such payment shall be rounded down to the nearest Euro 0.01;
- (iii) if Definitive Notes are required to be issued after the Redenomination Date, they shall be issued at the expense of the Issuer in the denominations of Euro 1,000, Euro 10,000, Euro 100,000 (as determined by the Issuer in consultation with the Agent) and (but only to the extent of any remaining amounts less than Euro 1,000 or such smaller denominations as the Agent may approve) Euro 0.01 and such other denominations as the Agent shall determine and notify to the Noteholders;
- (iv) if issued prior to the Redenomination Date, all unmatured Coupons denominated in the Specified Currency (whether or not attached to the Notes) will become void with effect from the date on which the Issuer gives notice (the ‘**Exchange Notice**’) that replacement Euro-denominated Notes, Receipts and Coupons are available for exchange (provided that such securities are so available) and no payments will be made in respect of them. The payment obligations contained in any Notes and Receipts so issued will also become void on that date although those Notes and Receipts will continue to constitute valid exchange obligations of the Issuer. New Euro-denominated Notes, Receipts and Coupons will be issued in exchange for Notes,

Receipts and Coupons denominated in the Specified Currency in such manner as the Agent may specify in consultation with the Issuer where practicable and as shall be notified to the Noteholders in the Exchange Notice. No Exchange Notice may be given less than 15 days prior to any date for payment of principal or interest on the Notes;

- (v) on or after the Redenomination Date, all payments in respect of the Notes, the Receipts and the Coupons, other than payments of interest in respect of periods commencing before the Redenomination Date, will be made solely in Euro as though references in the Notes to the Specified Currency were to Euro. Payments will be made in Euro by credit or transfer to a Euro account (or any other account to which Euro may be credited or transferred) specified by the payee.
- (vi) if the Notes are Fixed Rate Notes and interest for any period ending on or after the Redenomination Date is required to be calculated for a period ending other than on an Interest payment Date, it will be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction (as defined in Condition 5 (a)), and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention; and
- (vii) if the Notes are Floating Rate Notes, the applicable Final Terms will specify any relevant changes to the provisions relating to interest.

*(b) Definitions*

In these Conditions, the following expressions have the following meanings:

**‘Established Rate’** means the rate for conversion of the Specified Currency (including compliance with rules relating to roundings in accordance with applicable European Community regulations) into Euro established by the Council of the European Union pursuant to Article 123 of the Treaty;

**‘Euro’** means the currency introduced from the start of the third stage of European economic and monetary union pursuant to the Treaty;

**‘Redenomination Date’** means (in the case of Interest Bearing Notes) any date for payment of interest under the Notes or (in the case of Zero Coupon Notes) any date, in each case specified by the Issuer in the notice given to the Noteholders pursuant to paragraph (a) above and which falls on or after the date on which the country of the Specified Currency first participates in the third stage of European economic and monetary union; and

**‘Treaty’** means the treaty establishing the European Communities, as amended.

## **5. Interest**

*(a) Interest on Fixed Rate Notes*

Each Fixed Rate Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date at the rate(s) per annum equal to the Rate(s) of Interest. Interest will be payable in arrear on the Interest Payment Date(s) in each year and on the Maturity Date (if that does not fall on an Interest Payment Date).

Except as provided in the applicable Final Terms, the amount of interest payable on each Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount. Payments of interest on any Interest payment Date will, if so specified in the applicable Final Terms, amount to the Broken Amount so specified.

If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

‘Day Count Fraction’ means, in respect of the calculation of an amount of interest in accordance with this Condition 5(a):

- (i) if ‘**Actual/Actual (ISMA)**’ is specified in the applicable Final Terms:
  - (A) in the case of Notes where the number of days in the relevant period from (and including) the most recent Interest payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (the ‘**Accrual Period**’) is equal to or shorter than the Determination Period during which the Accrual Period ends, the number of days in such Accrual Period divided by the product of (1) the actual number of days in such Determination Period and (2) the number of Determination Dates (as specified in the applicable Final Terms) that would occur in one calendar year; or
  - (B) in the case of Notes where the Accrual Period is longer than the Determination Period during which the Accrual Period ends, the sum of:
    - (1) the actual number of days in such Accrual Period falling in the Determination Period in which the Accrual Period begins divided by the product of (x) the actual number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
    - (2) the actual number of days in such Accrual Period falling in the next Determination Period divided by the product of (x) the actual number of days in such Determination Period and (y) the number of Determination Dates that would occur in one calendar year; and
- (ii) if ‘**30/360**’ is specified in the applicable Final Terms, the number of days in the period from (and including) the most recent Interest payment Date (or, if none, the Interest Commencement Date) to (but excluding) the relevant payment date (such number of days being calculated on the basis of a year of 360 days with 12 30-day months) divided by 360.

In these Conditions:

‘**Determination Period**’ means each period from (and including) a Determination Date to (but excluding) the next Determination Date (including, where either the Interest Commencement Date or the final Interest Payment Date is not a Determination Date, the period commencing on the first Determination Date prior to, and ending on the first Determination Date falling after, such date);

‘**Fixed Interest Period**’ means the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date; and

‘sub-unit’ means, with respect to any currency other than Euro, the lowest amount of such currency that is available as legal tender in the country of such currency and, with respect to Euro, one cent.

*(b) Interest on Floating Rate Notes and Index Linked Interest Notes*

- (i) Interest Payment Dates Each Floating Rate Note and Index Linked Interest Note bears interest on its outstanding nominal amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date and such interest will be payable in arrear on either:
  - (A) the Specified Interest Payment Date(s) (each an ‘**Interest payment Date**’) in each year specified in the applicable Final Terms; or
  - (B) if no Specified Interest Payment Date(s) is/are specified in the applicable Final Terms, each date (each an ‘**Interest Payment Date**’) which falls the number of months or other period specified as the Specified Period in the applicable Final Terms after the preceding Interest Payment Date or, in the case of the first Interest payment Date, after the Interest Commencement Date.

Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

If a Business Day Convention is specified in the applicable Final Terms and (x) if there is no numerically corresponding day in the calendar month in which an Interest payment Date should occur or (y) if any Interest Payment Date would otherwise fall on a day which is not a Business Day, then, if the Business Day Convention specified is:

- (1) in any case where Specified Periods are specified in accordance with Condition 5(b)(i)(B) above, the Floating Rate Convention, such Interest Payment Date (j) in the case of (x) above, shall be the last day that is a Business Day in the relevant month and the provisions of (B) below shall apply mutatis mutandis or (ii) in the case of (y) above, shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event (A) such Interest Payment Date shall be brought forward to the immediately preceding Business Day and (B) each subsequent Interest payment Date shall be the last Business Day in the month which falls the Specified Period after the preceding applicable Interest Payment Date occurred; or
- (2) the Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day; or
- (3) the Modified Following Business Day Convention, such Interest Payment Date shall be postponed to the next day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date shall be brought forward to the immediately preceding Business Day; or
- (4) the Preceding Business Day Convention, such Interest payment Date shall be brought forward to the immediately preceding Business Day.

In these Conditions, '**Business Day**' means a day which is both:

- (A) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in any Additional Business Centre specified in the applicable Final Terms; and
  - (B) either (1) in relation to any sum payable in a Specified Currency other than Euro, a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than any Additional Business Centre and which if the Specified Currency is Australian dollars shall be Sydney) or (2) in relation to any sum payable in Euro, a day on which the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET) System (the '**TARGET System**') is open.
- (ii) Rate of Interest The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Index Linked Interest Notes will be determined in the manner specified in the applicable Final Terms.
- (A) ISDA Determination for Floating Rate Notes Where ISDA Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the applicable Final Terms) the Margin (if any). For the purposes of this sub-paragraph (A), '**ISDA Rate**' for an Interest Period means a rate equal to the Floating Rate that would be determined by the Agent under an interest rate swap transaction if the Agent were acting as Calculation Agent for that swap transaction under the terms of an agreement incorporating the 2000 ISDA Definitions or 2006 ISDA Definitions, as specified in the relevant Final Terms, as published by the International Swaps and Derivatives Association Inc. and to be obtained at the website <http://www.isda.org>, and as amended and updated as at the Issue date of the first Tranche of the Notes (the '**ISDA Definitions**') and under which:

- (1) the Floating Rate Option is as specified in the applicable Final Terms;
- (2) the Designated Maturity is the period specified in the applicable Final Terms; and
- (3) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on the London inter-bank offered rate ('LIBOR') or on the Euro-zone inter-bank offered rate ('EURIBOR'), the first day of that Interest Period or (ij) in any other case, as specified in the applicable Final Terms.

For the purposes of this sub-paragraph (A), '**Floating Rate**', '**Calculation Agent**', '**Floating Rate Option**', '**Designated Maturity**' and '**Reset Date**' have the meanings given to those terms in the ISDA Definitions.

- (B) Screen Rate Determination for Floating Rate Notes Where Screen Rate Determination is specified in the applicable Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject as provided below, be either:

- (1) the offered quotation (if there is only one quotation on the Relevant Screen Page); or
- (2) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations, (expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at 11.00 a.m. (London time, in the case of LIBOR, or Brussels time, in the case of EURIBOR) on the Interest Determination Date in question plus or minus (as indicated in the applicable Final Terms) the Margin (if any), all as determined by the Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations.

The Agency Agreement contains provisions for determining the Rate of Interest pursuant to this subparagraph (B) in the event that the Relevant Screen Page is not available or if, in the case of (1) above, no such offered quotation appears or, in the case of (2) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph.

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the applicable Final Terms as being other than LIBOR or EURIBOR, the Rate of Interest in respect of such Notes will be determined as provided in the applicable Final Terms.

- (iii) Minimum Rate of Interest and/or Maximum Rate of Interest If the applicable Final Terms specifies a Minimum Rate of Interest for any Interest Period, then in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest.

If the applicable Final Terms specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of such Interest Period determined in accordance with the provisions of paragraph (ii) above is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

- (iv) Determination of Rate of Interest and Calculation of Interest Amounts The Agent, in the case of Floating Rate Notes, and the Calculation Agent, in the case of Index Linked Interest Notes, will, at or as soon as practicable after each time at which the Rate of Interest is to be determined, determine the Rate of Interest for the relevant Interest Period. In the case of Index Linked Interest Notes, the Calculation Agent will notify the Agent of the

Rate of Interest for the relevant Interest Period as soon as practicable after calculating the same. The Agent will calculate the amount of interest (the '**Interest Amount**') payable on the Floating Rate Notes or Index Linked Interest Notes in respect of each Specified Denomination for the relevant Interest Period. Each Interest Amount shall be calculated by applying the Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, and rounding the resultant figure to the nearest sub-unit of the relevant Specified Currency, half of any such sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

**'Day Count Fraction'** means, in respect of the calculation of an amount of interest in accordance with this Condition 5(b):

- (i) if '**Actual/365**' or '**Actual/Actual**' is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 (or, if any portion of that Interest Period falls in a leap year, the sum of (A) the actual number of days in that portion of the Interest Period falling in a leap year divided by 366 and (B) the actual number of days in that portion of the Interest Period falling in a non-leap year divided by 365);
- (ii) if '**Actual/365 (Fixed)**' is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365;
- (iii) if '**Actual/365 (Sterling)**' is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 365 or, in the case of an Interest payment Date falling in a leap year, 366;
- (iv) if '**Actual/360**' is specified in the applicable Final Terms, the actual number of days in the Interest Period divided by 360;
- (v) if '**30/360**', '**360/360**' or '**Bond Basis**' is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months (unless (a) the last day of the Interest Period is the 31<sup>st</sup> day of a month but the first day of the Interest Period is a day other than the 30th or 31st day of a month, in which case the month that includes that last day shall not be considered to be shortened to a 30-day month or (b) the last day of the Interest Period is the last day of the month of February in which case the month of February shall not be considered to be lengthened to a 30-day month)); and
- (vi) if '**30E/360**' or '**Eurobond Basis**' is specified in the applicable Final Terms, the number of days in the Interest Period divided by 360 (the number of days to be calculated on the basis of a year of 360 days with 12 30-day months, without regard to the date of the first day or last day of the Interest Period unless, in the case of the final Interest Period the Maturity Date is the last day of the month of February, in which case the month of February shall not be considered to be lengthened to a 30-day month).
- (vii) Notification of Rate of Interest and Interest Amount The Agent will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest payment Date to be notified to the Issuer and any stock exchange on which the relevant Floating Rate Notes or Index Linked Interest Notes are for the time being listed and notice thereof to be published in accordance with Condition 14 as soon as possible after their determination but in no event later than the fourth London Business Day (as defined below) thereafter and, in the case of Notes admitted to the listing on the regulated market of the Luxembourg Stock Exchange and/or on Euronext Amsterdam, cause each such Rate of Interest, Interest Amount and Interest Payment Date, as the case may be, to be notified to Euronext Amsterdam and/or the Luxembourg Stock Exchange, as the case may be, in accordance with the rules and regulations of such Stock Exchange. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to each stock exchange on which the Notes are for the time being listed and to the Noteholders in accordance with Condition 14. For the purposes of this paragraph, the expression '**London Business**

**Day'** means a day (other than a Saturday or Sunday) on which banks and foreign exchange markets are open for business in London.

- (viii) Certificates to be Final All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this paragraph (b), whether by the Agent or if applicable, the Calculation Agent shall (in the absence of wilful default, bad faith or manifest error) be binding on the Issuer, the Agent, the Calculation Agent, if applicable, the other Paying Agents and all Noteholders, Receiptholders and Couponholders and (in the absence as aforesaid) no liability to the Issuer, the Noteholders, the Receiptholders or the Couponholders shall attach to the Agent or the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

*(c) Interest on Dual Currency Interest Notes*

In the case of Dual Currency Interest Notes, if the rate or amount of interest falls to be determined by reference to an exchange rate, the rate or amount of interest payable shall be determined in the manner specified in the applicable Final Terms.

*(d) Interest on Partly Paid Notes*

In the case of Partly Paid Notes (other than Partly Paid Notes which are Zero Coupon Notes), interest will accrue as aforesaid on the paid-up nominal amount of such Notes and otherwise as specified in the applicable Final Terms.

*(e) Accrual of Interest*

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date for its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue until whichever is the earlier of:

- (1) the date on which all amounts due in respect of such Note have been paid; and
- (2) five days after the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given to the Noteholders in accordance with Condition 14 or individually.

*(f) Deferral of Interest on Tier 3 Notes*

Notwithstanding anything to the contrary contained elsewhere in this Condition 5, if this Note is a Tier 3 Note interest will not be payable on any Interest Payment Date if and to the extent that at the time of, or as a result of such payment the Issuer's actual Own Funds (as defined below) would amount to less than 100 per cent. of the Issuer's required minimum amount of Own Funds under the Solvency Guidelines. Any interest in respect of this Note not paid on an Interest Payment Date on which such interest would otherwise be payable will constitute arrears of interest ('**Arrears of Interest**') and will become payable and will be paid by the Issuer as soon as and to the extent that the Issuer will, after such payment has been made, meet the solvency test referred to in the previous sentence. Any Arrears of Interest will also become fully payable on the date of the dissolution of the Issuer, the date on which the Issuer is declared bankrupt or the date on which a Moratorium resulting from the application of emergency measures as referred to in Article 3:160 of the Act on the Financial Supervision ("*Wet op het financieel toezicht*") is declared in respect of the Issuer. Where any amount of interest or Arrears of Interest is not paid in full, each part payment shall be made pro rata to the Tier 3 Noteholders of this Series and shall be in respect of the interest accrued furthest from the date of payment. Any Arrears of Interest shall not themselves bear interest.

**'Own Funds'** means the amount of shareholders' and other funds which qualify as actual own funds ("*toetsingsvermogen*") under the Solvency Guidelines.

## **6. Payments**

*(a) Method of Payment*

Subject as provided below:

- (i) payments in a Specified Currency other than Euro will be made by credit or transfer to an account in the relevant Specified Currency (which, in the case of a payment in Japanese yen to a non-resident of Japan, shall be a non-resident account) maintained by the payee with, or, at the option of the payee, by a cheque in such Specified Currency drawn on, a bank in the principal financial centre of the country of such Specified Currency (which, if the Specified Currency is Australian Dollars or New Zealand Dollars, shall be Melbourne or Wellington respectively); and
- (ii) payments in Euro will be made by credit or transfer to a Euro account (or to any other account to which Euro may be credited or transferred) specified by the payee.

Payments will be subject in all cases to any fiscal or other laws and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 8.

*(b) Presentation of Notes, Receipts and Coupons*

Other than in the case of Definitive Notes in CF-Form, payments of principal in respect of Definitive Notes will (subject as provided below) be made in the manner provided in paragraph (a) above only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Definitive Notes, and payments of interest in respect of Definitive Notes will (subject as provided below) be made as aforesaid only against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of Coupons, in each case at the specified office of any Paying Agent outside the United States (which expression, as used herein, means the United States of America (including the States and the District of Columbia, its territories, its possessions and other areas subject to its jurisdiction)).

Payments of principal in respect of any Definitive Notes in CF-form will be made in the manner provided in paragraph (a) above only against surrender of Definitive Notes together with the Coupon sheet attached. Payments of interest in respect of any Definitive Notes in CF-form will be made in conformity with the agreement concluded between the Issuer and Algemeen Obligatiekantoor van het Centrum voor Fondsenadministratie BV in Amsterdam (the "*Obligatiekantoor*"), under which agreement the Issuer has accepted the rules and regulations of the Obligatiekantoor.

Payments of instalments of principal (if any), other than the final instalment, will (subject as provided below) be made in the manner provided in paragraph (a) above against presentation and surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Receipt. Payment of the final instalment will be made in the manner provided in paragraph (a) above against surrender (or, in the case of part payment of any sum due, endorsement) of the relevant Note. Each Receipt must be presented for payment of the relevant instalment together with the Definitive Note to which it appertains. Receipts presented without the Definitive Note to which they appertain do not constitute valid obligations of the Issuer. Upon the date on which any Definitive Note becomes due and repayable, unmatured Receipts (if any) relating thereto (whether or not attached) shall become void and no payment shall be made in respect thereof.

Fixed Rate Notes in definitive form (other than Dual Currency Notes, Index Linked Interest Notes and Long Maturity Notes (as defined below)) should be presented for payment together with all unmatured Coupons appertaining thereto (which expression shall for this purpose include Coupons falling to be issued on exchange of matured Talons), failing which the amount of any missing unmatured Coupon (or, in the case of payment not being made in full, the same proportion of the amount of such missing unmatured Coupon as the sum so paid bears to the sum due) will be deducted from the sum due for payment. Each amount of principal so deducted will be paid in the manner mentioned above against surrender of the relative missing Coupon at any time before the expiry of five years after the date on which such principal first became due (whether or not such Coupon would otherwise have become void under Condition 9) or, if later, five years from the date on which such Coupon would otherwise have become due. Upon any Fixed Rate Note becoming due and repayable prior to its Maturity Date, all unmatured Talons (if any) appertaining thereto will become void and no further Coupons in respect of any such Talons will be issued.

Upon the date on which any Floating Rate Note, Dual Currency Note, Index Linked Interest Note or Long Maturity Note in definitive form becomes due and repayable, unmatured Coupons and Talons (if any) relating thereto (whether or not attached) shall become void and no payment or, as the case may be, exchange for further Coupons

shall be made in respect thereof. A ‘**Long Maturity Note**’ is a Fixed Rate Note (other than a Fixed Rate Note which on issue had a Talon attached) whose nominal amount on issue is less than the aggregate interest payable thereon provided that such Note shall cease to be a Long Maturity Note on the Fixed Interest Date on which the aggregate amount of interest remaining to be paid after that date is less than the nominal amount of such Note.

If the due date for redemption of any Definitive Note is not an Interest Payment Date, interest (if any) accrued in respect of such Note from (and including) the preceding Interest Payment Date or, as the case may be, the Interest Commencement Date shall be payable only against surrender of the relevant Definitive Note.

Payments of principal and interest (if any) in respect of Notes represented by any Global Note will (subject as provided below) be made in the manner specified above in relation to Definitive Notes and otherwise in the manner specified in the relevant Global Note against presentation or surrender, as the case may be, of such Global Note at the specified office of any Paying Agent outside the United States. A record of each payment made against presentation or surrender of such Global Note, distinguishing between any payment of principal and any payment of interest, will be made on such Global Note by such Paying Agent and such record shall be prima facie evidence that the payment in question has been made.

The holder of a Global Note shall be the only person entitled to receive payments in respect of Notes represented by such Global Note and the Issuer will be discharged by payment to, or to the order of, the holder of such Global Note in respect of each amount so paid. Each of the persons shown in the records of Euroclear or Clearstream, Luxembourg as the beneficial holder of a particular nominal amount of Notes represented by such Global Note must look solely to Euroclear or Clearstream, Luxembourg, as the case may be, for his share of each payment so made by the Issuer to, or to the order of, the holder of such Global Note. No person other than the holder of such Global Note shall have any claim against the Issuer in respect of any payments due on that Global Note.

Notwithstanding the foregoing, U.S. dollar payments of principal and interest in respect of the Notes will be made at the specified office of a Paying Agent in the United States if:

- (i) the Issuer has appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment in U.S. dollars at such specified offices outside the United States of the full amount of principal and interest on the Notes in the manner provided above when due;
- (ii) payment of the full amount of such interest at all such specified offices outside the United States is illegal or effectively precluded by exchange controls or other similar restrictions on the full payment or receipt of principal and interest in U.S. dollars; and
- (iii) such payment is then permitted under United States law without involving, in the opinion of the Issuer, adverse tax consequences to the Issuer.

*(c) Payment Day*

If the date for payment of any amount in respect of any Note, Receipt or Coupon is not a payment Day, the holder thereof shall not be entitled to payment until the next following Payment Day in the relevant place and shall not be entitled to further interest or other payment in respect of such delay. For these purposes, ‘**Payment Day**’ means any day (subject to Condition 9) which is both:

- (i) a day on which commercial banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in:
  - (A) the relevant place of presentation; and
  - (B) any Additional Financial Centre specified in the applicable Final Terms; and
- (ii) either (1) in relation to any sum payable in a Specified Currency other than Euro, a day on which commercial

banks and foreign exchange markets settle payments and are open for general business (including dealing in foreign exchange and foreign currency deposits) in the principal financial centre of the country of the relevant Specified Currency (if other than the place of presentation and any Additional Financial Centre and which if the Specified Currency is Australian Dollars or New Zealand Dollars shall be Melbourne or Wellington respectively) or (2) in relation to any sum payable in Euro, a day on which the TARGET System is open.

*(d) Interpretation of Principal and Interest*

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- (i) any additional amounts which may be payable with respect to principal under Condition 8;
- (ii) the Final Redemption Amount of the Notes;
- (iii) the Early Redemption Amount of the Notes;
- (iv) the Optional Redemption Amount(s) (if any) of the Notes;
- (v) in relation to Instalment Notes, the Instalment Amounts;
- (vi) in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 7(e)); and
- (vii) any premium and any other amounts (other than interest) which may be payable by the Issuer under or in respect of the Notes.
- (viii) Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 8.

**7. Redemption and Purchase**

*(a) At Maturity*

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer at its Final Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms in the relevant Specified Currency on the Maturity Date.

*(b) Redemption for Tax Reasons*

Subject as provided in Condition 1(1) and unless otherwise specified in the applicable Final Terms, the Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time (in the case of Notes other than Floating Rate Notes, Index Linked Interest Notes or Dual Currency Interest Notes) or on any Interest Payment Date (in the case of Floating Rate Notes, Index Linked Interest Notes or Dual Currency Interest Notes), on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 14 (which notice shall be irrevocable) if, on the occasion of the next payment due under the Notes, the Issuer has or will become obliged to pay additional amounts as provided or referred to in Condition 8(b) as a result of any change in, or amendment to, the laws or regulations of the Netherlands or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations, which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due.

Prior to the publication of any notice of redemption pursuant to this Condition, the Issuer shall deliver to the Agent a certificate signed a duly authorised representative of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred, and an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment.

Notes redeemed pursuant to this Condition 7 will be redeemed at their Early Redemption Amount referred to in paragraph (e) below together (if appropriate) with interest accrued to (but excluding) the date of redemption.

*(c) Redemption at the Option of the Issuer (Issuer Call)*

If Issuer Call is specified in the applicable Final Terms, the Issuer may, subject as provided in Condition 7(1), subject to notification to the Luxembourg Stock Exchange and/or Euronext Amsterdam and having given:

- (i) not less than 15 nor more than 30 days' notice to the Noteholders in accordance with Conditions 14; and
- (ii) not less than 15 days before the giving of the notice referred to in (i), notice to the Agent,

(both of which notices shall be irrevocable and shall specify the date fixed for redemption), redeem all or some only of the Notes then outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a nominal amount equal to the Minimum Redemption Amount or a Maximum Redemption Amount, both as indicated in the applicable Final Terms. In the case of a partial redemption of Notes, the Notes to be redeemed (**'Redeemed Notes'**) will be selected individually by lot, in the case of Redeemed Notes represented by Definitive Notes, and in accordance with the rules of Euroclear, Clearstream, Luxembourg and/or Euroclear Netherlands (to be reflected in the records of Euroclear and Clearstream, Luxembourg as either a pool factor or a reduction in nominal amount, at their discretion), in the case of Redeemed Notes represented by a Global Note, not more than 30 days prior to the date fixed for redemption (such date of selection being hereinafter referred to as the **'Selection Date'**). In the case of Redeemed Notes represented by Definitive Notes, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 14 not less than 15 days prior to the date fixed for redemption. The aggregate nominal amount of Redeemed Notes represented by Definitive Notes shall bear the same proportion to the aggregate nominal amount of all Redeemed Notes as the aggregate nominal amount of Definitive Notes outstanding bears to the aggregate nominal amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned nominal amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination, and the aggregate nominal amount of Redeemed Notes represented by a Global Note shall be equal to the balance of the Redeemed Notes. No exchange of the relevant Global Note will be permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph (c) and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 14 at least 5 days prior to the Selection Date.

*(d) Redemption at the Option of the Noteholders (Investor Put)*

Subject as provided in Condition 7(1), if Investor Put is specified in the applicable Final Terms, upon the holder of any Note giving to the Issuer in accordance with Condition 14 not less than 15 nor more than 30 days' notice or such other period of notice as is specified in the applicable Final Terms (which notice shall be irrevocable), the Issuer will, upon the expiry of such notice, redeem, subject to, and in accordance with, the terms specified in the applicable Final Terms, in whole (but not in part), such Note on the Optional Redemption Date and at the Optional Redemption Amount specified in, or determined in the manner specified in, the applicable Final Terms together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date.

To exercise the right to require redemption of this Note the holder of this Note must, if this Note is in definitive form and held outside Euroclear and Clearstream, Luxembourg, deliver, at the specified office of any Paying Agent at any time during normal business hours of such Paying Agent rolling within the notice period, a duly completed and signed notice of exercise in the form (for the time being current) obtainable from any specified office of any Paying Agent (a **'Put Notice'**) and in which the holder must specify a bank account (or, if payment is required to be made by cheque, an address) to which payment is to be made under this Condition accompanied by this Note or evidence satisfactory to the Paying Agent concerned that this Note will, following delivery of the Put Notice, be held to its order or under its control. If this Note is represented by a Global Note or is in definitive form and held through Euroclear or Clearstream, Luxembourg, to exercise the right to require redemption of this Note the holder of this Note must, within the notice period, give notice to the Agent of such exercise in accordance with the standard

procedures of Euroclear and Clearstream, Luxembourg (which may include notice being given on his instruction by Euroclear or Clearstream, Luxembourg or any common depository for them to the Agent by electronic means) in a form acceptable to Euroclear and Clearstream, Luxembourg from time to time and, if this Note is represented by a Global Note, at the same time present or procure the presentation of the relevant Global Note to the Agent for notation accordingly.

Any Put Notice given by a holder of any Note pursuant to this paragraph shall be irrevocable except where prior to the due date of redemption an Event of Default shall have occurred and be continuing in which event such holder, at its option, may elect by notice to the Issuer to withdraw the notice given pursuant to this paragraph and instead to declare such Note forthwith due and payable pursuant to Condition 10.

*(e) Early Redemption Amounts*

For the purpose of paragraph (b) above and Condition 10, the Notes will be redeemed at the Early Redemption Amount calculated as follows:

- (i) in the case of a Note with a Final Redemption Amount equal to the Issue Price, at the Final Redemption Amount thereof; or
- (ii) in the case of a Note (other than a Zero Coupon Note but including an Instalment Note and Partly Paid Note) with a Final Redemption Amount which is or may be less or greater than the Issue Price or which is payable in a Specified Currency other than that in which the Notes are denominated at the amount specified in, or determined in the manner specified in, the applicable Final Terms or, if no such amount or manner is so specified in the applicable Final Terms at its nominal amount; or
- (iii) in the case of a Zero Coupon Note, at an amount (the '**Amortised Face Amount**') equal to the product of:
  - (A) the Reference Price; and
  - (B) the sum of the figure 1 and the Accrual Yield, raised to the power of  $x$ , where 'x' is a fraction the numerator of which is equal to the number of days (calculated on the basis of a 360-day year consisting of 12 months of 30 days each) from (and including) the Issue Date of the first Tranche of the Notes to (but excluding) the date fixed for redemption or (as the case may be) the date upon which such Note becomes due and repayable and the denominator of which is 360, or on such other calculation basis as may be specified in the applicable Final Terms.

*(f) Instalments*

Instalment Notes will be redeemed in the Instalment Amounts and on the Instalment Dates. In the case of early redemption, the Early Redemption Amount will be determined pursuant to paragraph (e) above.

*(g) Partly Paid Notes*

If the Notes are Partly Paid Notes, they will be redeemed, whether at maturity, early redemption or otherwise, in accordance with the provisions of this Condition and the applicable Final Terms.

*(h) Purchases*

The Issuer, or any of its subsidiaries, may at any time purchase Notes (provided that, in the case of Definitive Notes, all unmatured Receipts, Coupons and Talons appertaining thereto are purchased therewith) at any price in the open market or otherwise. Such Notes may be held or, at the option of the purchaser, surrendered to any Paying Agent for cancellation.

*(i) Cancellation*

All Notes which are redeemed will forthwith be cancelled (together with all unmatured Receipts and Coupons attached thereto or surrendered therewith at the time of redemption). All Notes so cancelled and the Notes purchased and cancelled pursuant to paragraph (h) above (together with all unmatured Receipts, Coupons and Talons cancelled therewith) shall be forwarded to the Agent and cannot be re-issued or resold.

*(j) Late payment on Zero Coupon Notes*

If the amount payable in respect of any Zero Coupon Note upon redemption of such Zero Coupon Note pursuant to paragraph (a), (b), (c) or (d) above or upon its becoming due and repayable as provided in Condition 10 is improperly withheld or refused, the amount due and repayable in respect of such Zero Coupon Note shall be the amount calculated as provided in paragraph (e)(iii) above as though the references therein to the date fixed for the redemption or the date upon which such Zero Coupon Note becomes due and payable were replaced by references to the date which is the earlier of:

- (i) the date on which all amounts due in respect of such Zero Coupon Note have been paid; and
- (ii) five days after the date on which the full amount of the moneys payable has been received by the Agent and notice to that effect has been given to the Noteholders, in accordance with Condition 14.

*(k) Deferral of Principal of Tier 3 Notes*

If this Note is a Tier 3 Note, principal will not be repayable on the due date thereof if and to the extent that at the time or as a result of such payment the Issuer's actual Own Funds (as defined in Condition 5(f)) would amount to less than 100 per cent. of the Issuer's required minimum amount of Own Funds under the Solvency Guidelines. Any principal not paid on the date on which such principal would otherwise be payable will be paid by the Issuer if and to the extent that the Issuer will meet the solvency test referred to in the previous sentence. Any arrears of principal will also become fully payable on the date of dissolution of the Issuer, the date on which the Issuer is declared bankrupt or the date on which a moratorium of payments or of emergency measures as referred to in Article 3:160 of the Act on the Financial Supervision ("*Wet op het financieel toezicht*") is declared in respect of the Issuer. Where any amount of principal is paid in part, each part payment shall be made pro rata to the Tier 3 Noteholders. Any arrears of principal shall continue to bear interest at the applicable rate.

*(l) Redemption of Subordinated Notes*

Subordinated Notes may only be redeemed early upon receipt of the written approval of such redemption by the Dutch Central Bank.

## **8. Taxation**

All payments of principal and interest in respect of the Notes, Receipts and Coupons by the Issuer will be made without withholding or deduction for or on account of any present or future taxes or duties, assessments or governmental charges of whatever nature imposed or levied by or on behalf of the Netherlands or any political subdivision or any authority thereof or therein having power to tax, unless such withholding or deduction is required by law. In such event, the Issuer will, depending on which provision is specified in the applicable Final Terms, either

- (a) make the required withholding or deduction of such taxes, duties, assessments or governmental charges for the account of the holders of the Notes, Receipts or Coupons, as the case may be, and shall not pay any additional amounts to the holders of the Notes, Receipts or Coupons or
- (b) pay such additional amounts as shall be necessary in order that the net amounts received by the holders of the Notes, Receipts or Coupons after such withholding or deduction shall equal the respective amounts of principal and interest which would otherwise have been receivable in respect of the Notes, Receipts or Coupons, as the case may be, in the absence of such withholding or deduction; except that no such additional amounts shall be payable with respect to any Note, Receipt or Coupon:
  - (i) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder who is liable for such taxes or duties in respect of such Note, Receipt or Coupon by reason of his having some connection with the Netherlands other than the mere holding of such Note, Receipt or Coupon or the receipt of principal or interest in respect thereof; or
  - (ii) presented for payment by or on behalf of a Noteholder, Receiptholder or Couponholder who would not be liable or subject to the withholding or deduction by making a declaration of nonresidence or other similar claim for exemption to the relevant tax authority; or
  - (iii) presented for payment more than 30 days after the Relevant Date (as defined below) except to the extent that the holder thereof would have been entitled to an additional amount on presenting the same

- for payment on such thirtieth day (assuming that day to have been a payment Day as defined in Condition 6(c)); or
- (iv) where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive; or
  - (v) presented for payment by or on behalf of a holder who would be able to avoid such withholding or deduction by presenting the relevant Note, Receipt or Coupon to another Paying Agent in a Member State of the European Union.

As used herein, the **‘Relevant Date’** means the date on which such payment first becomes due, except that, if the full amount of the moneys payable has not been duly received by the Agent on or prior to such due date, it means the date on which, the full amount of such moneys having been so received, notice to that effect is duly given to the Noteholders in accordance with Condition 14. If this Note is a Tier 3 Note, to the extent that any amount is not payable or repayable pursuant to Condition 5(f) or 7(k), the Relevant Date shall be the date on which any such amount becomes first payable or repayable.

#### **9. Prescription**

The Notes, Receipts and Coupons will become void unless presented for payment within a period of five years after the date on which such payment first becomes due.

There shall not be included in any Coupon sheet issued on exchange of a Talon any Coupon the claim for payment in respect of which would be void pursuant to this Condition or Condition 6(b) or any Talon which would be void pursuant to Condition 6(b).

#### **10. Events of Default**

If in the case of any Senior Notes one or more of the following events (or in the case of any Subordinated Notes, either or both of the events specified in (iv) and (v)) (each an **‘Event of Default’**) shall have occurred and be continuing:

- (i) default is made for more than 14 days in the payment of interest or principal in respect of the Notes; or
- (ii) the Issuer fails to perform or observe any of its other obligations under the Notes and such failure has continued for the period of 30 days next following the service on the Issuer of notice requiring the same to be remedied; or
- (iii) the Issuer fails in the due repayment of borrowed money in excess of EUR 15,000,000 and such failure continues for a period of 14 days after notice of such failure has been received by the Issuer, provided that no event of default shall be deemed to have occurred if the Issuer shall contest its liability in good faith or shall have been ordered not to make such a payment by a competent court; or
- (iv) the Issuer is declared bankrupt or emergency measures as referred to in Article 3:160 of the Act on the Financial Supervision ("*Wet op het financieel toezicht*") are declared in respect of the Issuer; or
- (v) an order is made or an effective resolution is passed for the winding up or liquidation of the Issuer unless this is done in connection with a merger, consolidation or other form of combination with another company and such company assumes all obligations contracted by the Issuer in connection with the Notes, then any Noteholder may, by written notice to the Issuer at the specified office of the Agent, effective upon the date of receipt thereof by the Agent, declare the Note held by the holder to be forthwith due and payable whereupon the same shall become forthwith due and payable at its Early Redemption Amount, together with accrued interest (if any) to the date of repayment, without presentment, demand, protest or other notice of any kind, provided that repayment of Subordinated Notes under this Condition 10 may only be effected after the Issuer has obtained the written consent of the Dutch Central Bank.

### **11. Replacement of Notes, Receipts, Coupons and Talons**

Should any Note, Receipt, Coupon or Talon be lost, stolen, mutilated, defaced or destroyed, it may be replaced at the specified office of the Agent upon payment by the claimant of such costs and expenses as may be incurred in connection therewith and on such terms as to evidence and indemnity as the Issuer may reasonably require. Mutilated or defaced Notes, Receipts, Coupons or Talons must be surrendered before replacements will be issued.

### **12. Agent and Paying Agents**

The names of the initial Agent and the other initial Paying Agents and their initial specified offices are set out below.

The Issuer is entitled to vary or terminate the appointment of any Paying Agent and/or appoint additional or other Paying Agents and/or approve any change in the specified office through which any Paying Agent acts, provided that:

- (i) so long as the Notes are listed on any stock exchange, there will at all times be a Paying Agent with a specified office in such place as may be required by the rules and regulations of the relevant stock exchange (or any other relevant authority);
- (ii) there will at all times be a Paying Agent with a specified office in a city in continental Europe;
- (iii) there will at all times be an Agent;
- (iv) if any European Union Directive on the taxation of savings implementing the conclusions of the ECOFIN Council meeting of 26th-27th November, 2000 or any law implementing or complying with, or introduced in order to conform to, such Directive is introduced, there will at all times be a Paying Agent in a Member State of the European Union that will not be obliged to withhold or deduct tax pursuant to any such Directive or law;
- (v) a notice will be published in the case of any change in Paying Agents.

In addition, the Issuer shall forthwith appoint a Paying Agent having a specified office in New York City in the circumstances described in the final paragraph of Condition 6(b). Any variation, termination, appointment or change shall only take effect (other than in the case of insolvency, when it shall be of immediate effect) after not less than 30 nor more than 45 days' prior notice thereof shall have been given to the Noteholders in accordance with Condition 14.

In acting under the Agency Agreement, the Paying Agents act solely as agents of the Issuer and do not assume any obligation to, or relationship of agency or trust with, any Noteholders, Receiptholders or Couponholders. The Agency Agreement contains provisions permitting any entity into which any Paying Agent is merged or converted or with which it is consolidated or to which it transfers all or substantially all of its assets to become the successor paying agent.

### **13. Exchange of Talons**

On and after the Interest Payment Date on which the final Coupon comprised in any Coupon sheet matures, the Talon (if any) forming part of such Coupon sheet may be surrendered at the specified office of the Agent or any other Paying Agent in exchange for a further Coupon sheet including (if such further Coupon sheet does not include Coupons to (and including) the final date for the payment of interest due in respect of the Note to which it appertains) a further Talon, subject to the provisions of Condition 9. Each Talon shall, for the purposes of these Terms and Conditions, be deemed to mature on the Interest Payment Date on which the final Coupon comprised in the relative Coupon sheet matures.

### **14. Notices**

All notices regarding the Notes shall be published (i) in at least one daily newspaper of wide circulation in the Netherlands, (ii) if so specified in the applicable Final Terms in a leading English language daily newspaper of general circulation in London, (iii) if and for so long as the Notes are listed on Euronext Amsterdam, in the Daily

Official List of Euronext Amsterdam (“*Officiële Prijscourant*”) and (iv) if and for so long as the Notes are listed on the regulated market of the Luxembourg Stock Exchange, in a daily newspaper of general circulation in Luxembourg. #### **15. Meetings of Noteholders, Modification and Waiver**

The Agency Agreement contains provisions for convening meetings of the Noteholders of each Series to consider any matter affecting their interests, including the sanctioning by Extraordinary Resolution of a modification of the Notes, the Receipts, the Coupons or certain provisions of the Agency Agreement. Such a meeting may be convened by the Issuer or Noteholders of each Series holding not less than five per cent. in nominal amount of the Senior Notes or, as the case may be, the Subordinated Notes for the time being remaining outstanding. An Extraordinary Resolution of the Subordinated Notes shall only be effective when it is not materially prejudicial to the interests of the holders of the Senior Notes.

The Issuer may not vote on any Notes held by it, whether directly or indirectly, and such Notes shall not be taken into account in establishing the total amount outstanding.

The Agent and the Issuer may agree, without the consent of the Noteholders, Receiptholders or Couponholders, to:
